

has directly impacted the lives of thousands of people throughout our state.

Michael has been equally dedicated to both his career as a leading doctor of Gastroenterology and as a volunteer in his community. Michael is a world authority on the pathology and clinical manifestations of neurological disorders of the intestinal tract and has been recognized by his colleagues for his many accomplishments.

Michael's work does not end, however, when he leaves the hospital. Like his wife, he has dedicated countless hours to Hadassah by serving as a visiting professor of Gastroenterology and as an Hadassah associate. He has also worked to encourage leadership qualities in our children through the Jewish Federation's Young Leadership Program, serving as its co-chair for three years.

One of his greatest loves in life is pro-Israel activism and has dedicated his time to furthering this cause through American Israel Public Affairs Committee otherwise known as AIPAC. He served as the Chairman of AIPAC from 1986 to 1994, strengthening the support of AIPAC across Washington state and furthering its reputation as the leading organization on United States-Israel relations.

Throughout their different commitments Michael and Shainie have always supported one another and recognized the importance of each other's work. There is a true partnership and one that has positively impacted the people of our state. I ask my colleagues to join me as I applaud the outstanding and inspiring work of Dr. Michael and Shainie Schuffler. ●
